

**NWCG CURRICULUM MANAGEMENT ISSUE PAPER #96**  
**Title Change of L-180, Human Factors on the Fireline**  
**March 31, 2008**

**BACKGROUND**

The Leadership Committee is in the process of revising L-180. To appeal to a broader audience, and for consistency with the Leading in the Wildland Fire Service doctrine, the Committee and subject matter experts recommend changing the title from *Human Factors on the Fireline*, to *Human Factors in the Wildland Fire Service*. This change also supports the PMS 310-1 where L-180 is listed as “other training which supports development of knowledge and skills” for non-fireline positions. For example, L-180 is listed for Status Check-In Recorder.

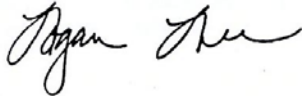

**PROPOSAL/RECOMMENDATION**

To better reflect the target audience and support the PMS 310-1, *Human Factors on the Fireline* should be changed to *Human Factors in the Wildland Fire Service*.
